Welcome/Introductions
Beth Sise/Carol Skiljan
Beth welcomed the group to the Suicide Prevention Council meeting. Everyone went around and introduced themselves.
SPC Overview/Website Update
Yeni L. Palomino
Yeni provided a brief history and overview of the San Diego County Suicide Prevention Council (SPC). The SPC website was also shared: www.spcsandiego.org. This will be our last SPC meeting at 211. Kimberly McGee was introduced as the new Program Assistant.

SPC Subcommittees Updates
Yeni L. Palomino

Assessment + Evaluation (Beth Sise, Subcommittee Chair)
The subcommittee has been preparing for the Press Conference that will mark the reveal of the Suicide Prevention Action Plan Update. Once released, the committee will be looking for opportunities to share the Update with any partners or community members that are interested. At the last meeting, they made last minute changes to the Plan and it is now complete and ready to be rolled out on May 30th, 2018.

Faith Organization Outreach (CHIP staff, Dana Richardson)
There was a strong interfaith focus at the recent 7th Annual Faith Breakfast event. There were 102 people in attendance and the event received strong feedback and words of support and encouragement. The theme of the event, “Faith. Hope. Life.”, was brought through well by the Keynote Speaker, Rev. Talitha Arnold of the United Church of Santa Fe and the Interfaith Respondent Panel.

Higher Education (CHIP staff, Yeni Palomino)
The group recently held a conference call to debrief after the Campus Plunge. There was an agreement to participate in another campus plunge soon, most likely this summer and to actively bring on board more campus partners. They are discussing adding more webinar-style conference calls to receive spotlight presentations to add to their meeting content.

Media (CHIP staff, Yeni Palomino)
The group has been planning the Press Conference Event that will be held on May 30, 2018 at the County Administration Center to release the newly updated Suicide Prevention Action Plan. The SPAP will be addressed more in depth at our Suicide Prevention Council Annual Stakeholders Meeting in June.

Spotlight Presentation – Civilian Agency
Leah Davis / Tiffany Carmona
Civilian, previously known as AdEase, is a local marketing and advertising agency that has recently undergone a major rebranding thanks to the Up2Us and Know the Signs campaigns. Because of these wonderful projects, AdEase moved to exclusively work with social change markets. Their name was officially changed to Civilian in 2015 and although we are all very familiar with their work, we haven't always necessarily seen the team behind it. Leah and Tiffany would like to offer their teams services to any partner with the SPC including collaboration on Personal Stories, Workgroups, Work Studies, etc. Every marketing piece that they develop is positive and strength based with clear calls to action.

Suicide Prevention Subcommittee – San Diego, CA
Yeni Palomino
Mental Health Services Oversight & Accountability Commission (MHSOAC) is leading an effort to develop a statewide suicide prevention plan that reduces suicide and suicide attempts, and improves outcomes for suicide attempt survivors and their families.

The MHSOAC Suicide Prevention Subcommittee is a subcommittee of commissioners that will hold community meetings throughout California over the next year to gather information and build a common understanding of the challenges and opportunities to preventing suicide.
