STATE LEGISLATIONS

AB 2246- Pupil Suicide Prevention Policies

Effective: July 1, 2017

- Requires LEAs to adopt suicide prevention policies before the beginning of the 2017–18 school year. Chaptered as California *Education Code (EC)* Section 215, AB 2246 mandates that the Governing Board of any LEA that serves pupils in grades 7-12, inclusive, adopt a policy on pupil suicide prevention, intervention, and postvention.
- The policy shall specifically address the needs of high-risk groups, include consideration of suicide awareness and prevention training for teachers, and ensure that a school employee acts only within the authorization and scope of the employee's credential or license.
- CDE developed a model policy: <https://www.cde.ca.gov/nr/el/le/yr17ltr0510.asp>. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

AB 1767- Pupil Suicide Prevention Policies

Effective: January 1, 2020

- Requires the governing board or body of a LEA that serves pupils in kindergarten and grades 1 to 6, inclusive, to, before the beginning of the 2020–21 school year, adopt, and update as prescribed, a policy on pupil suicide prevention that specifically addresses the needs of high-risk groups.
- The bill would require this policy to be age appropriate and delivered and discussed in a manner that is sensitive to the needs of young pupils and address any training on suicide awareness and prevention to be provided to teachers of pupils in all of the grades served by the local educational agency.
- CDE is in the process of developing a model policy for school districts serving K-6 students.

AB 1808- Education Finance- Education Omnibus Trailer Bill

Effective: June 27, 2018

- AB 1808 added Section 216 to the California Education Code and provided funding to ensure school staff were prepared to identify, support, and refer middle and high school students who may be experiencing thoughts of suicide. The bill also calls for the training to be offered to middle and high school students. The San Diego County Office of Education was selected as the lead to make this online training available, at no cost, to local educational agencies (LEAs) to voluntarily use as part of their youth suicide prevention policy
- For more information, please visit SDCOE's Online Suicide Prevention Training for California Schools webpage and click on "San Diego County LEAs": <https://www.sdcoe.net/student-services/student-support/Pages/Online-Suicide-Prevention-Training-for-California-Schools.aspx>.

SB 972- Pupil and Student Health: Identification Cards: Suicide Prevention Hotline Telephone Numbers

Effective: January 1, 2019

- Requires a public school, including a charter school, or a private school that serve pupils in grades 7-12 that issue student ID cards must print on either side of the ID cards the telephone number for the National Suicide Prevention Lifeline.
- Schools may also print on either side of the ID cards the Crisis Text Line and a local suicide prevention hotline telephone number.
- Please refer to the **Student Education** section to view opportunities that can increase students' mental health literacy and provide context and understanding to why the hotline numbers are on the back of their ID cards and use it when needed for themselves or their peers.
