POSITION TITLE: SPC Training & Outreach Manager

LOCATION: San Diego

DEPARTMENT: Suicide Prevention Council

REPORTS TO: Vice President of Community Health & Engagement

SUPERVISES: Interns, Program Assistants, Program Coordinators

FLSA STATUS: Non-Exempt

GENERAL SUMMARY

Community Health Improvement Partners (CHIP) is a registered 501(c)(3) nonprofit organization that serves as a leader in employing innovative, collaborative solutions for addressing critical community health issues across California. CHIP works to assess community health needs, engage stakeholders, and advocate to help create policy, systems and environmental changes that reduce health disparities. CHIP's vision is for everyone to have the opportunity to achieve optimal health and well-being. CHIP facilitates several public health focused programs and initiatives including the Farm to Institution Center (F2I), Independent Living Association (ILA), Recovery Residence Association (RRA), Care Court Locator Program, Resident Leadership Academy (RLA) and the San Diego County Suicide Prevention Council (SPC). The SPC Training & Outreach Manager will provide operational and administrative oversight primarily to the San Diego County Suicide Prevention Council (SPC). To learn more about CHIP, visit: www.sdchip.org.

POSITION SUMMARY

Since 2010, the County of San Diego, Diego Health and Human Services Agency (HHSA) Behavioral Health Services (BHS) department has contracted with CHIP to establish, facilitate, expand and most recently update the San Diego County Suicide Prevention Action Plan (SPAP) and the San Diego County Suicide Prevention Council (SPC). The SPC is a coalition that works to engage diverse stakeholder groups in promising practices and implementation of the SPAP that prevent suicide and its harmful effects in multiple arenas: schools, media, higher education, faith, assessment/evaluation, priority populations, postvention and other vital community areas.
